Luton Women's Aid has existed since 1973, it's aims and principles are in accordance with those of Women's Aid Federation, England. Our vision is for all women and children to be safe and respected and for perpetrators to take responsibility for their actions.

The Kurdistan refugee Women's Organisation was founded in 1999. It works tirelessly to support women from Kurdistan and the Middle East who are victims of domestic violence and/or exposed to the threat to honour killings and forced marriages. Following a merger with the Middle East Centre for Women's Rights in 2009 the name of the Organisation was changed to **Kurdish & Middle Eastern Women's Organisation**.
